## Who are we ?

- RCMS cc Consultants are an established Occupational Health, Safety, Environment & Quality Service Provider based in Kwa Zulu Natal with over 30 years experience in the provision of innovative solutions to meet your Occupational Health, Safety, Environment & Quality needs
- We are currently contracted to various leading organizations in South Africa and work extensively in West and Central Africa providing HSEQ Systems and Services to international Companies operating in these countries
- All services are carried out by our team of qualified and highly experienced HSEQ Consultants

# What can we offer you?

- **Compile, implement and maintain HSEQ Systems to meet Shell, Caltex, BP & Engen System requirements, HACCP –Food Safety & OHSA, NEMA Requirements**
  - 1 day on site survey
  - System compilation – Site Specific and Customized to Retailers Site
  - System Implementation on Site
  - System Maintenance & Support
    - Site Inspections & Reports
    - HSEQ Training
    - Group Communication Talk Topics
    - HSEQ Inductions
    - Statistics
    - System Maintenance
    - Accident/ Incident Investigations
    - HSEQ Committee Meetings
    - Emergency Planning, Drills
    - HSEQ Risk Assessments, Objectives & Targets & HSEQ Plan

## **We have various options available to Retailers**

- Costs of HSEQ systems reduce based on type of outlet
- Discounted cost to dealers with two or more outlets
- Dealers can purchase a site specific HSEQ system from RCMS and maintain it themselves
- Dealers can enter into a contracted service of one day per month, RCMS will manage the system on the dealers behalf, the system becomes the dealers property after 24 months
- **We can provide a month to month service to dealers not wishing to enter into a contract period on the understanding that the system remains the property of RCMS**
- No travel cost to dealers within a 50 km radius of Durban Central
